Letter from our CSDA President, Elaine Haberman

Good March to everyone-

It was wonderful to see so many of our members at the Awards dinner. I think it was one of the largest we have had on record. It is always nice to see everyone out of horse clothes and being able to enjoy a meal together and celebrate everyone's successes. So congrats to everyone who received an award and thanks for coming out to share your time with us.

February was the beginning of our educational events, which started with Dr. Sandy Grover of Exclusively Dentistry and Chiropractics of Colorado Springs. Dr Grover talked about dentistry for the equine and how bits impact the horses performance and how to pick the correct bit for the horses mouth. It was an interesting meeting and was attended by a large number of members who can just to hear Dr Grover speak. We do have some copies of Dr. Grover's handout if you are interested. Please contact me and I will be happy to forward them to you all.

March will feature local farrier Todd Gosnell discussing proper shoeing and how it impacts the horses performance.

Once again we are in full swing with the Arabians for the Cure and Dressage for the Cure show on April 23-24-25. We are recruiting volunteers, working on sponsorship and gathering prizes and donations as well as the Evening under the light Performance. The show is donating the profits after expenses to Renee's Friends Fund. RFF is a local Colorado charity that provides assistance for expenses such as transportation, rent, food and such as patients go through medical treatment. So we look forward to you help, input, participation, and donations.

So thanks for all your support and attendance at meeting and CSDA events. We hope that we are providing you with some great educational events and shows to help you achieve your riding goals and don't forget to volunteer!
